

SURFACE MOUNT BOX

Norden Keystone Jack Surface Mount Boxes are perfect for Surface Mount Applications, especially in confined spaces. It is compatible with Shielded and unshielded Cat5e, Cat6, and Cat6A Keystone Jacks. This Box comes with Mounting Screws, adhesive tape, and a cable tie for strain relief. The Snap-On cover enables easy closure or access for quick installation. These boxes are often used in different outlets like offices, homes, or links with active devices.

FEATURES

- Support all 90 degree/180 degree Shielded and unshielded Keystone jacks.
- Integrated spring shutter for protection from dust and other contaminants
- Designation label with hinged clear window provided for identification purposes.
- Connector Module/keystone jack can be pre-terminated prior snapping into the housing port.
- Bottom Side or rear cable entry options (rear cable entry help to meet bend radius standards).
- Stud is available inside the box for cable tie fastening.
