

Advance Conference Controller

Conference Host

DESCRIPTION

NVS-DC800013CH is an Advance Conference host which integrates advanced management and control functions such as automatic camera tracking, 4.3" true color touch screen control, and intuitive graphical interface display, The conference host can supply power to the Chairman and Delegate microphone with good scalability, and is the core equipment of the conference system. This advanced conference host supports check-in, voting, camera tracking, automatic detection and data management functions, with a variety of conference modes.

FEATURES

- ⦿ 4.3 inch TFT screen with user friendly graphical interface, easy and convenient operations.
- ⦿ Manually and automatic conference recording option
- ⦿ Supports simultaneous interpretation, optional 15+1 language channel and can extend to 63+ 1.
- ⦿ Support hot backup function and camera tracking.
- ⦿ Built-in MP3 program source, programs can be copied through U disk
- ⦿ 4 network interfaces with maximum output of 48V/90W per channel, 2 network interfaces without output voltage
- ⦿ multiple functional interface: 1 input; 1 unbalanced and 2 balanced output; 6 HDMI video input, 1 HDMI video output
- ⦿ 5V alarm trigger interface, combine with the alarm audio input to realize override function in emergencies
- ⦿ RS232 interface to link with central control system, with 1 RS422 interface to control multiple cameras
- ⦿ Integrate conference, discussion, sign-in, voting, electronic nameplate and other functions, support up to 4096 conference units
- ⦿ FIFO/ NORMAL/ VOICE/ FREE/ APPLY 5 conference modes, support up to 6 units of simultaneous speech

Specifications	
Model	NVS-DC800013CH
Maximum output power	90W 4-channel PoE+48V power supply
Static power	≤30W
LINE IN voltage	250±50mV
ALARM IN voltage	250±50mV
LINE OUT voltage	1000±100 mV
BALANCE OUT voltage	2000±100 mV
Frequency response	30Hz-20kHz (±3dB)
Signal to Noise Ratio	≥80dB
Distortion	≤0.5%
Power Supply	AC220V/50Hz/350W
Dimension (L×W×H)	483×385×88 mm
Net weight	6.3kg
