

Column Speaker 20W

DESCRIPTION

NVS-L1004020BS is a Weather resistant Full range Column Speaker with built-in 70V/100V transformer. The 70V/100V transformer technique reduces line losses on longer distance and allows easy parallel connection of multiple loudspeakers. It is an ideal choice for industrial and commercial applications in the various area of hotel, school, office, restaurant and factory where background music and paging is needed.

FEATURES

- ⦿ Aluminum alloy material
- ⦿ Ultimate sound quality
- ⦿ Corrosion resistant
- ⦿ Wide Frequency Response
- ⦿ All-weather design
