

Outdoor Column Speaker with 2-Way Driver 30W

DESCRIPTION

The NVS-10860030BS is a waterproof outdoor Column Speaker with built-in 70V/100V transformer and waterproof certificate of IPX6. The rust-resistant net cover is composed of aluminium. The speaker is a dual crossover architecture. The supplied set of metal mounting brackets make it simple and secure to install the wall mount in an outdoor area. It is an excellent solution for industrial and commercial applications like train stations, shopping malls, parking lots, and factories that require background music and paging.

FEATURES

- Dual crossover construction
- Easy and secure wall mount installation
- Waterproof certificate IPX6
- Aluminum body for anti-rust
