

NVS-L1012030HS

Outdoor Aluminium Horn Speaker 8Ω

Horn Speaker

DESCRIPTION

The NVS-L1012030HS is a weatherproof horn speaker with highly stylish and appealing design despite its stability. This Weatherproof Horn speaker, which has an ABS plastic shell with UV resistance, is almost identical to the outdoor speakers used for community systems and PA systems. The mounting is enameled steel, and the horn is constructed of ABS. The mounting bracket is completely tiltable and very simple to install.
