

Mini Soundbar with built-in ePTZ camera

DESCRIPTION

The NVS-UC600103SC is a mini soundbar with built-in ePTZ camera. A 4K ePTZ camera, electret microphones, and a high-quality speaker are all included in this professional 3-in-1 webcam. It uses a 1/2.8" 4K UHD CMOS sensor with 8.29 mega pixels, capable of delivering 4K high-quality and ultra-clear images at up to 30 fps. It offers clear, realistic high-definition video that vividly depicts the characters' expressions and activities. The camera features a 120° ultra-wide angle, distortion-free field of view. It features auto framing and a 5x digital zoom. Two high-sensitivity 360° pickup digital microphones that are built-in, along with a speaker, produce clear, natural sound effects. With excellent noise algorithm, its pickup radius can reach up to 5 meters. This device can be applied in application scenarios such as personal video applications and collaborative works.

FEATURES

- ⦿ 4K ultra HD image sensor
- ⦿ Support 4K@30fps high quality and clear images
- ⦿ 120° ultra-wide horizontal view angle
- ⦿ ePTZ function, 5x digital zoom with remote control
- ⦿ Built in 2 omnidirectional microphones and speaker
- ⦿ Hands-free talk
- ⦿ USB-A interface and USB-C, Plug and play

Specifications	
Model	NVS-UC600103SC
Image Sensor	1/2.8" 4K UHD CMOS Sensor
Effective Pixel	8.29 Megapixel (16:9)
Focal Length	2.02mm
Aperture	F2.5
Auto Framing	Support
FPS	30fps (MJPG) Max
Zoom	Fixed, 5x Digital Zoom
PTZ Control	Support ePTZ
FOV	120°

Mini Soundbar with built-in ePTZ camera

Video Output Format	3840x2160@fps, 1920x1080P@30fps/25fps
Video Output Interface	USB Type-C
Expansion Microphone Interface	USB Type-A
Video Compression Format	MJPEG@30fps; H265, YUV
USB Communication	UVC,UAC
Hardware Requirement	2.4GHz Intel@ Core 2 Duo processor or higher, 2GB RAM or more, USB 2.0/USB 3.0 port
Status Display	16xcolors LED indicator light (Annual Array); RGB 3xcolors light
Microphone	Built-in 2 omnidirectional analog microphones, 360 degree pickup range
Pickup Range	5m
Audio Processing Technology	ANS automatic noise suppression technology, AGC gain control adjustable technology
Input Voltage	12V
Input Current	1A
Power Consumption	12W/5W
Storing Temperature	-10°C~+60°C
Storage Humidity	20%-90%
Operating Temperature	-10°C~+50°C
Operating Humidity	20%-80%
Operating Systems	Windows 7/8.1/10; MacOS 10.10 or higher, Android, Linux (Require to support UVC)
Weight	0.33Kg
Dimension	210x58x50mm
